Isaiah House Monthly Dinner Project

- Organize a group of 4-6 volunteers that can create a main entrée for the dinner menu, then prepare and serve it.
- Plan on preparing for approximately 65 guests; however, this number varies so contact either Nancy or Leia at Isaiah House approximately 1 week before your dinner to confirm the number.
- Dinner is plated and served to the Isaiah guests between 5:15-5:30 pm. You are invited and encouraged to eat with the guests.
- The Isaiah House kitchen is fully equipped. They have a large industrial gas stove, 2 large industrial ovens, a walk in refrigerator section and a very well stocked pantry including an array of seasonings and everyday ingredients. In addition they have plenty of extra large pans for casseroles.
- The entrée can be prepared at home by your team members or assembled and prepared in the Isaiah House kitchen. If you choose to prepare your meal at Isaiah House please allow adequate time for preparation and cooking. Use only disposable aluminum pans. Should you need to use items from the Isaiah House pantry or refrigerator, please contact Nancy to confirm availability.
- Entrée items served in the past: casseroles, sloppy joes, baked chicken, gyros and pulled pork sandwiches. Use a family recipe or create something special, the guests at Isaiah House love and are grateful for everything!
- You can choose to provide the salad, fruit or desert; however, it is not required. The Isaiah House refrigerator is typically stocked with fresh vegetables, lettuce and fruit and available for your use. Be sure to allow extra time for cleaning and preparation.

- Paper products are provided.
- Beverage, typically lemonade or punch (powered form) is provided; however, you will need to assist with preparation. Isaiah House has requested no soft drinks be served.
- Please plan on cleaning up the kitchen before you leave. You should be finished between 6:30 and 7:00 PM.
