

Stewardship Pledge Guideline

At St. Paul's, we believe that we should all strive to pledge 3% or more of our gross household income as a stewardship commitment to God. We believe that this offer should be from our first fruits and be offered willingly and lovingly from our hearts as an offer back to God for the multitude of gifts He has already given to us.

A 3% Giving Plan from every member will totally support St. Paul's and allow us to grow the church body that our Lord Jesus asks of us.

Please completely and legibly pledge your loving gift on the attached form and mail to :

St. Paul's Greek Orthodox Church
4949 Alton Parkway
Irvine, CA 92604

Or feel free to place it in our weekly collection basket.

May God continue to richly bless you.
